Mission Information

History

CrossRoads Missions has been working in Piedras Negras, Mexico (on the Texas Border) since 1993 and is actively involved in community development and ministry in Piedras Negras, Mexico. Projects have included the construction of two churches, two schools, an orphanage and many single family homes. We work to improve the education, housing, and environment for families by partnering with local ministries, empowering them to be the face of Christ in their communities.

People We Serve

Mexicans value friendship, humor, honesty and hard work. Due to economic issues in Mexico it is extremely difficult for the majority of Mexicans to work their way out of poverty. They have a desire to make things better for the next generation, but may have difficulties maintaining hope in a land filled with despair. Many people we work alongside view the Church as the instrument for providing peace, joy and hope that comes only from Christ.

Purpose

Seeking to glorify Christ in word and deed, CrossRoads Missions is actively involved in various types of ministry in Piedras Negras. Through fellowship, worship, and encouragement, participants work together as the body of Christ to display a testimony of the love of our Savior. In addition to several on-going construction projects, groups spend time ministering in the community through medical missions, kids programs, soup kitchens, hospital feeding programs, meals and community events. CrossRoads Missions plans to continue and strengthen our commitment to the people of Piedras Negras, with an emphasis on the sick, poor, orphaned, widowed, hungry, and neglected.

Partners

 \$475/person- Drive to Eagle Pass, TX

Weekend \$150/person- Drive to Eagle Pass, TX

Join Our Team

We are rebuilding in our Piedras Negras field and as a result we need people of various skills and backgrounds. We seek team members with some of the following gifts: getting people excited about our ministry vision, participating leading groups, communicating a mission to other people, various organizational skills, managing projects and mostly a heart to see God's Kingdom advance in Piedras Negras. Those who want to serve with us need to have a passion for serving Mexican people, encouraging American participants and worshipping God in all that we do.

Internships

If you are looking for an intercultural experience and desire to learn new skills and a new language, we offer internships ranging from 3 months to 2 years. Internships offer individuals an opportunity to expand their view of the work Christ is doing in and through His Church outside of the United States. As you lead and serve, you will learn to work with a team committed to prayer, contemplation, love and humility.

Bi-vocational

Not all full-time ministers are called to leave their current employment. In fact, it may be better for our ministry for you to remain in your job. Bi-vocational mission staff are those who have the flexibility in their current career lives which enables them to be significantly involved in our field. If you feel that God is calling you to serve His people abroad through an extended commitment in service, than a week long trip, then bi-vocational staff may be a good place for you to serve.

Full Time Staff

If you have been called to advance the Kingdom of God beyond international lines, we would love to talk to you about the positions we have available.
