Below is a brief description of activities that can be incorporated into your weekend.

Macro Plaza

City parks are a large part of Mexican culture. The Macro Plaza is a large park that has basketball courts, soccer fields, volleyball courts, and walking and running paths. There are also small shops to purchase ice cream, cold drinks, and other local treats.

Piedras Negras Tour

A driving tour of Piedras Negras will be offered to show the highlights of the city and we will provide information about the cities demographics and people. The tour is a great time for groups to ask questions and learn more about the culture.

The Market

A visit to the market will be offered to allow time to purchase gifts or souvenirs for family and friends. During the visit you will have the chance to eat lunch at a restaurant in the market.

Game/Fellowship Night

A couple of times a weekend we want to provide board games, card games and recreational activities. This is a great opportunity for staff and participants to interact with one another.
