CrossRoads Missions Becomes an ECFA Member

WINCHESTER, Va. – The Evangelical Council for Financial Accountability (ECFA) announced today the accreditation of CrossRoads Missions of Louisville, KY, an organization dedicated to providing short-term missions opportunities.

ECFA accreditation is based on standards of responsible stewardship, including financial accountability, transparency, sound board governance and ethical fund-raising.

CrossRoads Missions joins a growing number of churches and evangelical organizations across America, representing more than \$18 billion in annual revenue, that have earned the right to display the ECFA seal. When an organization is accredited by ECFA, it demonstrates its willingness to follow the model of biblical accountability.

“We are pleased to include in our membership a ministry committed to bringing people of all ages into short-term missions,” said Dan Busby, acting president of ECFA.

Founded in 1993, CrossRoads Missions is a doorway for churches and individuals seeking ministry opportunities in places they may otherwise have difficulty serving. Mission teams are involved in multiple areas of ministry such as construction, medical missions, education, discipleship, evangelism, worship, and disaster relief.

ECFA, founded in 1979, provides accreditation to leading Christian non-profit organizations that faithfully demonstrate compliance with established standards for financial accountability, fund-raising and board governance.
