Dear Andy,

Please find enclosed pictures of the construction site of our newest house at 11554 S. Freedom Avenue, Alliance, Ohio.

Your group provided the walls, which were stored in a warehouse during the winter, for that home. The first picture shows the walls being unloaded at the site this spring and the second picture shows the walls being raised.

We are very grateful for your support for this home and wish to thank you again for your donation of cost for the materials and labor for those walls.

Jordan Porter and her three small children will move into this house this summer and are delighted and thankful for the volunteers, funders and donations of in-kind gifts that are making it all possible.

May God continue to bless your work.

Sincerely,

A handwritten signature in purple ink that reads "Sandy Strub". The signature is fluid and cursive.

Sandy Strub
Executive Director
