Dear Crossroads Mission:

We have received a check from Baldwin Community United Methodist Church representing Crossroads Mission's generous donation of \$1,500 to Washington County Habitat for Humanity. Your gift is greatly appreciated and will be put to valuable use as we work toward providing decent, affordable housing here in Washington County.

We also thank you for choosing our affiliate to receive the constructed house walls which will be used in our next new build (House No. 47) to be located at 241 Vine Street, Canonsburg, PA 15317. What an amazing program you have! We certainly look forward to partnering with your group as House No. 47 becomes a home for our next family.

Our current build is also our 46th House and is located on Arch Street in the City of Washington. This will be a fully handicapped accessible home. We have completed our build on Ford Street in Canton Township and will be transferring title very soon. The families we've partnered with for these builds have met our requirements for housing need, ability to pay a Habitat mortgage and credit worthiness. They have contributed substantial sweat equity to the building of other families' homes and now, they have helped build their own home!

We are so grateful for your support in making the dream of homeownership come true for these families. Safe, permanent, affordable housing impacts the lives of families in so many ways, and strengthens our community.

In partnership,
