Noblesville, IN 46060

Aug. 22, 2007

Dear Pastor and Church,

We have received your most generous gift of six house frame packages to be erected here next spring. We are quickly gathering resources to build a greater capacity to serve more families and your help has been a huge blessing. We have eight lots in inventory and finishing three homes by the end of the summer. We are receiving new partner families all the time and have the opportunity to reach out to them, even through the qualifying process. Our mission is to use Habitat as an instrument in which to demonstrate the gospel of Jesus Christ to families and the many volunteers we come in contact with. Each week we share His word with the central focus on our Theme scripture verse, Psalm 127:1a "Unless the Lord builds the house, they labor in vain who build it." All through out the Old and New Testaments this is the central message. We have discovered over and over again all scripture points to Jesus and this theme verse keeps us focused on the main thing; That is Him and His work, not ours.

Our Habitat affiliate wants to express our thanks to all of you who selflessly gave to benefit families in need in Hendricks Co. We know that there are approximately 20,000 people in our service area that would qualify financially for a Habitat home. With your love gift we know that six families will soon be able to enjoy a safe, simple, decent and affordable place to live. Thank you for your demonstration of the love of Christ that we may extend that same love to those in need.

In Christ alone,

Craig Brighton,
Exec. Dir.
