CrossRoads Missions –New Orleans expands our partners’ presence and outreach in the community and provides access for their ministry by bringing together local Christ-centered churches, ministries, and the local community through service projects and youth events.

Our center of operation is in Arabi in St. Bernard Parish with the focus of our ministry extending out to the inner-city neighborhoods of Desire, St. Roch, Bywater, Gentilly and surrounding areas. We are also very active in St. Bernard Parish.

New Orleans is a proud and culturally diverse town. People here tend to be close-knit, family oriented, and very laid back -- hence the city's nickname: "The Big Easy". We have a rich and full culture that includes everything from food to music, and religious beliefs to celebrations.
